R.BASANT, J.

W.P.C.No.17953 of 2007

Dated this the 4th day of July 2007

J U D G M E N T

The grievance of the petitioner in this writ petition is that no action has been taken by the police on the basis of Exts.P1 and P2 complaints filed by him before the second and third respondents. The learned Public Prosecutor, after taking instructions, submits that though there was some delay in the registration of the crime, a crime has now been registered as crime No.103/2007 on the basis of Ext.P2 complaint on 21/6/2007. The needful is being done and a proper and efficient investigation shall be conducted, submits the learned Public Prosecutor.

2. In the light of that submission, I am satisfied that it is not necessary to issue any further directions in the matter now. This writ petition is, in these circumstances, dismissed but with the observation that the dismissal will not in any way fetter the rights of the petitioner to approach this court again at a later stage, if appropriate further action is not taken promptly by the investigating officer.
